

# Welcome to The Old School Campsite

## Campsite Office

We are available at the campsite office when we are on site by ringing the bell. If we are not able to answer the bell please call 07590 841 615 or 07951 274 504 in emergencies.

## Campsite Shop

The campsite office also has a shop in case you have forgotten any essentials (milk, nappies, tea bags, logs, chocolate etc.) and a variety of gifts or holiday treats for the whole family. You can pay by cash or card.

## Free Wifi

Please make use of the free WiFi on site. Please bear in mind that as we are in a rural area you might not get the speed or coverage that you are used to. You can also make WiFi calls if you enable it on your phone.

## Facilities

- The shower in the block takes 50p coins. We have a small supply of them at the campsite office but please come prepared. Our new Eco Showers are very popular but please do keep showers to approximately 5 minutes for the sake of other guests and the environment. We ask that you make sure you sit down in the Eco Toilets! Young children are asked to use the main toilets.
- A washing machine and drier is provided in the laundry room (£3 per wash or dry) as well as some charging facilities for those without a hook up or a plug for your own hairdryer!
- There is a freezer available in the laundry room for your freezer blocks and food. Please label everything. Don't forget take it all with you when you leave!
- There is lots of information available in the laundry including local maps and places to go
- If you require a ramp to access any facilities please let us know.

## What to do & where to go

There are a wide variety of activities available on & off site run by us. If you like outdoor activities (from climbing to archery) or art and craft (from jewellery making to learning to crochet) we're sure we'll have activities you'll love. Please have a look at our notice board or the website for more information.

There are also a huge number of beautiful places and fab activities in the local area. Take a look at the information on the website for places and events to visit.

## Arrivals & Departures

- Please try to arrive after 1400hrs and before 2100hrs. If this is not possible please let us know.
- Departure time is 1100hrs. If you would like to stay a little longer please ask and we will try and accommodate you if we can.

*We hope you enjoy your stay. Please just ask if you need anything.*
