COVID 19 GUIDELINES FOR GUESTS - THE OLD SCHOOL CAMPSITE

Your Booking Being Affected by COVID 19 Government Regulations

If your booking has to be cancelled or postponed, due Government COVID 19 regulations, please make sure you know which booking system you used. There are slight differences in the terms and conditions of refund or rebooking a different date.

If you have booked directly with us we will allow you to rebook for any other date in the future, as long as we have space and you amended your booking before the start of your original stay. If you wish to cancel you may receive a full refund at our discretion.

Around the Campsite

Please adhere to current government guidance on social distancing, social bubbles, and contact with people from outside your household.

Tents should be pitched with guy ropes at least 2 meters apart.

Please follow the direction of signs and reminders around the site.

Hygiene

We will provide hand sanitizer, soap and cleaning materials for use in our facilities only. Please bring your own cleaning and hygiene equipment for use in your accommodation, when moving around the site or when out and about.

Please sign the COVID 19 declaration, found at the link below, prior to your arrival that will help keep you, us and our other guests safe in these strange times. You will not be able to stay on site until you have signed this.

Visitors

Please do not bring friends or relatives to the campsite if they aren't staying with us.

Facilities

With regret the freezer, book swap and laundry areas will not be open but if you have any emergencies during your stay please do not hesitate to contact us. All our pitches have electric so camp coolers/ fridges can be powered.

The washing up sinks will also be closed except for drawing water. Please ensure you bring a bowl (bowls provided for our Glampers) with you and do your washing up back on your pitch.

Our office/ shop will be closed for browsing but we can open for you if you need items, please find us on site or book online at <https://theoldschoolcampsiteshop.ecwid.com/Shop-Items-p212532454>.

Wood and Charcoal can be order as and when you require it but if you can pre order, it would help us ensure you have everything you require for when you arrive. If you run out you can always order more via the same method from your pitch. You can find the link to order below:

<https://theoldschoolcampsiteshop.ecwid.com/Wood-and-Charcoal-Order-p212517660>

We will be allocating a specific toilet and shower to each pitch. These will be shared amongst a number of pitches and we will try to keep groups together in order to reduce the risk of cross contamination but also help with your planning. Please do not use another shower or toilet under any circumstance. Please read your arrival email and check the arrivals board on the driveway which will tell you what pitch you are on and which facilities you are using for your stay.

The Old School Campsite

We are also asking our guests to use their own campervan, caravan or motorhome facilities where possible and consider bringing a porta potty if you are camping. If you are able to use your own facilities please let us know so that we can take this into account in our allocation of campsite facilities. You would be helping with reducing unnecessary contact and easing the burden on our shared facilities as well as maintaining government guidelines for your own benefit.

Glamping

We have reduced the amount of non-essential items in our glamping accommodation, to help with our cleaning, but don't worry you will have the same wonderful experience as always. We have removed extra bedding e.g. blankets but if you need more please just ask, pillows, sheets and duvets will be provided as usual.

Onsite Payment

We will be operating a cash free zone. We can take contactless payment via card machine or paypal.me/theoldschoolcampsite.

Following the Rules

We really hope that these are simple rules that can be maintained but if anyone is seen to repeatedly break them you will be asked to leave. We hope by following them you will have a wonderful, relaxing and importantly safe stay at the Old School Campsite.

Kind regards

Rachel and Stuart
